Dear Debi and Gary:

It's hard to believe that it has been over three months since the closing of the sale of our home. But we want you to know that we haven't forgotten what we think were the extraordinary efforts made by both of you in getting this accomplished. **Thank you.**

We will not soon forget the picture of Gary crawling around in the "crawl" space with his camera or digging holes around the foundation to solve the water questions. Nor will we forget the steady hand at the tiller that both of you exhibited in guiding the matter through the turbulent waters.

We are now more or less settled in our new home in Carolina Meadows. We are satisfied we did the right thing in moving when we did.

We hope to see you soon. Best wishes.

Anne
